

# ISKA Masters Pro-division

## World, Intercontinental and European Champions (updated 4<sup>th</sup> December 2017)

A new ISKA Champion will have the option of defending the title within the first six (6) months of their reign. After six (6) months a title defence will be mandatory. If a Champion had not made a defence for more than twelve (12) months they will be declared inactive, they would have no choice but to defend against the first qualified challenger. If a Champion had not made a defence for more than eighteen (18) months the ISKA can declare the title vacant without giving notice. If a current Champion wins the next title in line (e.g. if a European Champion wins a World title) the lesser title will be automatically vacated. **Titles listed in green are inactive, retired or vacant**
